SUBJECT: 2019 Voters Registration Drive On-line Submission

Greeting All:

Getting a family member, a friend, co-worker, teenager or even a random stranger to register to vote is a very important undertaking. Voting is a right that forefathers fought for so that their voices can be heard. Encouraging someone who has not exercised this right is a very important task. This year, in 2019, let us do our part to make sure that we influence someone to exercise the right to vote by registering to vote...!

Last year, as an organization, we helped over 600 people become registered voters. This year let's do our best to increase this number. Just as last year, we need **Each Imperial Deputy of the Desert to appoint a Statewide Voter Registration Chairman (that all local Temples inside the Desert report to) and each Imperial Deputy of the Oasis to encourage the Illustrious Potentate to appoint a Temple voter Registration Chairman. We need all the names of each of these Desert and Temple appointed Nobles sent to P.P. Jerry Brown, Sr., #45 for accountability (jerry_brown_sr@yahoo.com) no later than 31-May-2019.** Every Temple is still **required** to hold a Voter Registration Drive in **both May and September of every year** and submit an online report to the Imperial Council Voter Registration & Education Department (**See instructions below under #1**) no later than July 15, 2019. While it may seem daunting, it is a small task that we can take on to help raise the number of active voters in our communities. Moreover, your hard work in this endeavor will not go unnoticed. At this year's Imperial Council Session in Baltimore, MD, during the Awards Ceremony, there will be awards given out for the Temple that registers the most voters. These awards will be broken up into small, medium and large, Temple membership categories.

ONE TEAM – ONE OBJECTIVE – ONE DIRECTION
FORWARD EVER – BACKWARD NEVER
RECRUIT – RECLAIM - RETAIN

This year's awards will cover September 2018 and May 2019, collectively. The online submission for the Voter Registration Reporting is still up and running to make your submission much easier and less tedious. Please use the Online submission to enter your registered voters for September 2018 previous and May 2019 current.

1. For Online submission go online to wwwaeaonms.org: click on **Imperial Resources/Forms**, then finally click on **Voter's Registration & Education Reporting (New Form)** to enter your submission. Once completed, hit **Submit**.
2. If there are any problems with submission or if you have any questions, please contact Voter Registration & Education Department member P.P. Jerry Brown, Sr., #45. His information is as follows:

**P.P. Jerry Brown, Sr. #45
1002 Grove Center
Cedar Hill, Texas 75104
jerry_brown_sr@yahoo.com**

3. **All Temples** are required to submit a Voter Registration drive Report annually by **July 15th**. The reporting period will cover September of the prior year and May of the current year.

Voter Registration & Education is very important to the existence of the Imperial Council. Doing your part to make sure that Voter Registration efforts are reported will help to ensure that we continue to do our part.

Yours in Friendship and Fraternally,
